

New Bedford 17<sup>th</sup> October 1844

Mrs Chapman

Madame,

I, some days  
since, received a note from you,  
asking aid, for the Liberty Bells,  
for which I enclose five Dollars.  
I hope its notes may sound till all  
the People are roused, and gathered  
in their might, to Battle for Liberty.  
Yours, in the Cause.
